

Dear Parents,

It was wonderful to see everyone coming in to school on Wednesday morning dressed in their PJs, all in aid of Sheffield Children's Hospital. In assembly that day the children heard about some of the ways in which funds raised for the hospital are spent, including their plans for a helipad for the roof. In total, through your generosity, over £665 was raised. Thank you.

Representatives from the charity were also able to present Alfie and Nancy, two of our pupils, with a cheque for almost £3,000 in recognition of their fundraising efforts through the publication of Catheter Boy. The book is still available for purchase through [info@catheterboy.com](mailto:info@catheterboy.com). Well done Alfie and Nancy!

### **Free interactive squash event**

As an eager (but mediocre) squash player, I am only too keen to promote a free family event that is taking place this Saturday from 12:30 – 2:15 at Abbeydale Squash & Fitness in Dore. The club has just installed the only iCourt in South Yorkshire which turns a squash court into a giant interactive screen with lots of fun games and challenges. [Here's a short video](#) demonstrating how it works.

Timings for the FREE opening event are below:

- 12.30pm - Free nibbles and snacks in reception
- 12.45pm - iCourt switch on
- 12.50pm - Free use for members/ non-members/ families
- 2.15pm - Event finish

### **Parking**

Please may I remind all families to be considerate of our neighbours when parking in the vicinity of the school. Parking wardens were in attendance on two mornings this week and I understand some vehicles did receive tickets. Wherever possible, please consider walking, scooting or cycling to school, or parking a little way away and walking the final stretch. Thank you.
