

Dear Parents,

We had a wonderful evening last night at the FOBPS Spring Disco. Thank you to all the volunteers who helped and thank you everyone for supporting this event. The money raised by events such as these bring many enhancements to the school which the children love. I am hopeful to be able to share details of an exciting FOBPS-funded project soon.

Ramadan / Eid Assembly

This week we were joined by one of our parents, Ms Nazia Hussain, who kindly led two assemblies all about Ramadan and Eid, which will fall during the holidays. The children found it really interesting to hear how and why some of their peers may be fasting, what this means, and why Eid is such a celebration for Muslims. Some children also got to try on some traditional clothing. Thank you Ms Hussain.

Assessment letters

Three times a year children's attainment is assessed by their teachers. Children in years 1-6 will be bringing home a letter today which contains their Spring assessment as well as information on their attendance to date. If you have any questions about the information contained within the letter, please bring this up at next week's parents evening.

Year 3/4 Easter Performance - Thursday 28th March

The children have been busy rehearsing for their Easter Production which we very much hope you can join us for. There will be two performances: 9:10am and 2:30pm, with the show lasting around 30 minutes. To enable everyone to attend we ask that parents come to one show only please.

World Book Day Traveling Stories

Attached to this newsletter you will find the two traveling stories written by the children on World Book Day. Throughout the day, the stories took twists and turns as they developed from an opening produced by the youngest children to a conclusion written by those in Year 6. I hope you enjoy reading them as much as I did.

Mr Chris Thomas
Headteacher
