

Dear Parents,

Wow! What a week it has been. At the start of the week FS2 visited Chatsworth whilst Year 2 enjoyed a visit to Graves Park. Year 5 have continued their Bikeability training and, of course, Year 6 WOWED us with their amazing performances of We Will Rock You.

Year 6, we will truly miss you. You have been a wonderful year group and have truly done yourselves proud. I'm not ashamed to repeat what I said after the production – you are going to secondary school as polite, well-rounded, resilient and confident young people and, as a result, will do well. We wish you every success and only ask that you come back and visit and keep us informed of all you get up to. Good luck!

Sports Day and School's Out videos

You may have already enjoyed these via SeeSaw, but if not please take a moment to watch our Sports Day video and fun 'School's Out for Summer' video which we had great fun making.

Thank you volunteers

We have a number of volunteers who are stepping down from their respective roles this summer, all of whom have served the school so diligently over the years.

Lucy Shaw is stepping down as Chair of Governors. Lucy, I would like to thank you for all you have done to support the ongoing improvement of Bradway Primary School.

Petrina, Sarah, Jennifer and Gavin, thank you so much for your years of service with FOBPS. The events you organise bring such joy to the children and the funds raised make such a difference to the school.

New arrival

I'm delighted to share that Mrs Thorne gave birth this week to a beautiful baby boy. We are sure you will join us in wishing them well.

Singing Soiree

A number of children took part in a Singing Soiree earlier this month, led by our music teacher Charlotte. Well done children on your performances – here's a photo of some of those who took part.

We are looking forward to rescheduling a singing performance in school for early next year.

Last call for parental survey responses

Thank you to everyone who has completed our end of year parental survey. If you have not yet had a chance to do so, please do. We will share a summary of the findings early next term.
