

Dear Parents,

I am always so struck at this time of year at how lucky we are at Bradway with our amazing school grounds. It has been lovely for example to see the children enjoying the blossom around the school as well as taking their learning outside. Long may the sunshine continue!

Now that the weather has changed, we, like many teams I'm sure, are busy catching up on missed football fixtures following such a wet winter. Well done to both our Year 5 and Year 6 girls' and boys' teams who have taken part in competitions this week. Further news on their achievements will follow in the next sports newsletter.

I have also had the pleasure of joining a group of children from Year 5 on their Cycle Speedway trip where I was struck by their determination, resilience and willingness to challenge themselves. The event took place at the Graves Cycle Speedway track. They are always looking for new members to join their club, so why not consider joining in with such a unique sport. More information is available here: [Sheffield Cycle Speedway | Facebook](#)

I was also delighted to hear of Year 3 pupils taking part in intergenerational work with residents at a local home, sharing stories and conversations that were enjoyed by everyone involved.
