

Dear Parents,

I hope you and your family enjoyed a relaxing half term break and the final term has started well. There is always a lot to look forward to in the summer term so I hope the children are eager for the weeks ahead.

Key dates this term

Although many of these dates have been shared already, I felt it would be helpful to share them again. New dates have been added in bold.

| | |
|---|--|
| Wednesday 26 th – Friday 28 th June | Year 6 trip to Whitby |

| Thursday 11 th July | Transition day |
| Friday 12 th July | Reserve day for Sports Day in the event of rain |
| Tuesday 16 th July & Wednesday 17 th July - afternoon | Year 6 production |
| Friday 19th July - PM | Year 6 Leavers’ Assembly – parents invited. |
| Friday 19 th July | Last day of term |

Year 3 camping – could you lend a tent?

Year 3 are getting excited about their forthcoming night of camping. Generously, the scouts are providing a number of tents, however more are needed. If you have a large (4 person or more) tent that you would be willing to lend (and ideally put up and take down), we would be extremely grateful.

Tents would need to put up after school on Thursday 27th June and taken down on Friday 28th June, ideally in the morning. If you can help, please email the school office.

FOBPS Summer Fair – Friday 5th July

FOBPS are holding a Summer Fair on Friday 5th July from 3.20 - 6.20pm (exact timings tbc). They want to make the fair an enjoyable event for our local community and raise as much money as we can for the school. They would be very grateful if you would donate a tombola prize in advance of the event. Please bring a small item of your choice (sweets / chocolate /

toiletries / jolly jar) to school on Monday 1st July. Cake stall donations are needed on Thursday 4th July. If you are able to volunteer to help please let FOBPS know.

Gardening Club

Gardening club have been very busy this term and the garden is looking (and tasting!) wonderful. The strawberries are growing in abundance and the lettuces and chard are huge. With the warmer weather approaching the garden will be used more often as an outdoor learning space to the benefit of our children.

A handwritten signature in black ink, which appears to read 'Chris Thomas'.

Mr Chris Thomas
Headteacher
