

Dear Parents,

On Tuesday we celebrated World Cultural Diversity Day. It was wonderful to see such a range of activities taking place throughout the day, from food tasting to traditional dancing and everything in between! I would like to thank all the parents who kindly shared their time to support the year groups with the planning and delivery of these activities. Please see the attached photo collage for some photos of Year 2 enjoying their food tasting outside.

Safety at school entrance

It is wonderful that so many children scoot and cycle to school. May I remind cyclists to dismount as they pass the school gate to ensure pedestrians are safe at all times. Bikes should not be cycled on any paths around school. Thank you.

Sports Newsletter

Attached you will find the latest Sports Newsletter from Mr Cheetham. As always, if your child is active in sport outside of school and you wish for their participation or achievements to be celebrated, please email the school office who will pass it on for the next edition.

New books

We would like to say a huge thank you to FOBPS and our school community for their generous donation of money to buy new books for Reception, Year 1 and Year 2. Photos of these are on the photo collage attached.

Wildflower Planting

In partnership with BAG and Sheffield Council Parks and Countryside, this week our Year 3 children planted a wildflower meadow on the Bradway Recreation Ground. The area will hopefully become a beautiful haven for wildlife and insects and a great resource for the children to learn more about our natural world. See photos on the attached photo collage.

I hope you and your family enjoy a relaxing half term break. We look forward to seeing you on Monday 3rd June.

Mr Chris Thomas
Headteacher
