

“Learning Through Enjoyment”

Introduction

This agreement has been written in consultation with parents and carers, children, staff and governors at Bradway Primary School. It reflects the close partnership between the school and families to give the children the best possible start to their education.

Aims and Values

Our broad aim is to create a safe, caring and stimulating environment in which every child has the opportunity to reach the highest levels of achievement of which they are capable, in all aspects of learning.

We believe that everyone involved in our school community is entitled to respect from others and should feel welcome and safe at school. Within the school, staff, parents and children have certain rights and responsibilities which help to ensure that children can learn and teachers can teach effectively. This agreement sets out some of those rights and responsibilities.

Together we will:

- work collaboratively to create a happy, safe and caring environment in which learning can take place with enjoyment.
- communicate positively together in ways which foster positive self-esteem, self confidence and mutual respect.

The schools hold a number of policies which relate to this agreement including:

Behaviour Policy
Equal Opportunities Policy
Health and Safety Policy
Special Needs Policy
Safeguarding Policy
Complaints Policy

Parents and carers can see these documents at any reasonable time by approaching the school office or the Head teacher/Assistant Heads.

If you are unhappy about any aspect of your child’s education or experience at Bradway Primary School, please make an appointment to see the class teacher. The teacher will try to resolve the matter with you and explain how to take the matter further should you wish. This Agreement will be reviewed every two years.
